Max flow	Max head	Max suction lift
8 litres/hour	8 metres	5 metres

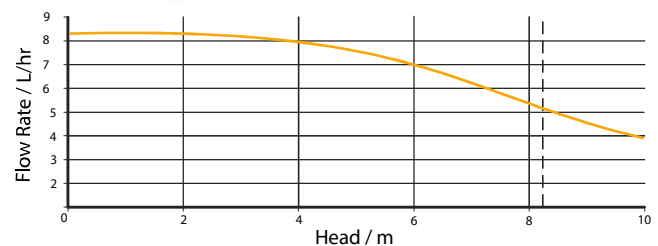

Self-priming and running silent when either wet or dry, the EconoMini™ condensate removal pump provides installers complete flexibility when it comes to positioning the pump. With a compact, lightweight package the EconoMini™ can retrofit around existing pipe work or cornering trunking as well as into the ceiling void.

Sensing Options

EconoMini™ pump available with:

Temperature sensor

Why BlueDiamond® ?

Run Dry

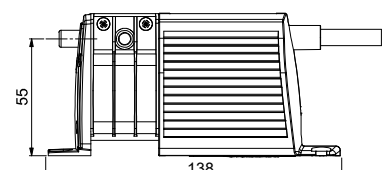

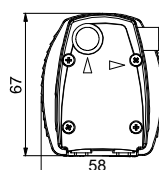

All of the BlueDiamond® pumps have the ability to run dry without burning out. Enabling them to remove any liquids, preventing organic growth inside the tubing.

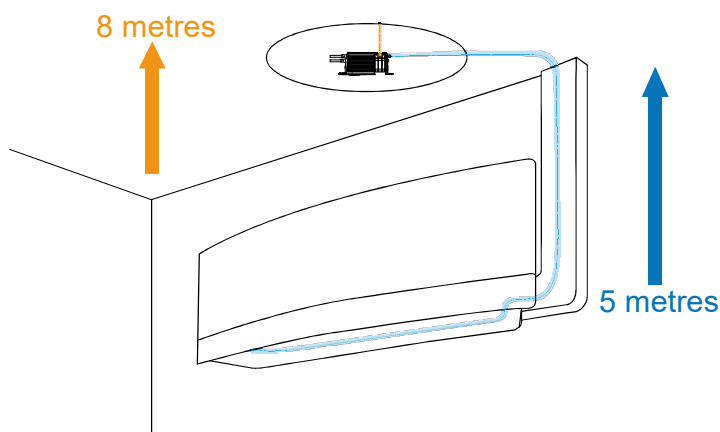

Whisper Quiet

Quiet in all stages of operation and not only when set to quiet mode or relying on a soft start setting.

Dimensions (mm)

Installation Options

The EconoMini™ can be mounted in any orientation up to 5m away from the air conditioning unit.
