

REF-CYL

Item Number 4686959

The REF-CYL refrigerant cylinder is made of high strength steel and is equipped with two ergonomic polymer handles.

- Lightweight refrigerant bottle for easy handling
- Up to 50% less weight compared to conventional steel cylinders
- Integrated immersion tube for liquid extraction
- Fully recyclable product

Technical Data

Material	Steel Plastics
Colour	grey
Standards	EN 14638-3
Remarks	Overpressure safety device opens at 42 bar (610 psi) +/- 10%
Gas Connection	W 21.7 x 1/14"
Diameter	300 mm
Capacity	26.2 l (max. 27.0 kg R22, max. 21.7 kg R410)

Accessories

9884820	K1-9/5	Adapter with gasket for large refrigerant cylinders, 5 pieces Thread: 21.8-14 G x 1/4" SAE
4687475	K1-9-LH/5	Adapter with gasket for flammable gases, 5 pieces Thread: W 21.8-14 G-LH x 1/4" SAE
